Spiritual food November 20, 2012 Great book gives you something to think about.Helps to open your mind to praise GOD for all His Blessings to us.

From the Author Isn't God great? I so appreciate the reviews readers have written and I'm thankful that this little book has given you another way to thank and praise our wonderful God. A number of you are adding your own words to the list, which is great. It would be great if there were a way for us to share how many different ways to praise Him that we think of.
