Description:

For nearly a century, one name has been trusted above all others when it comes to proper decorum: Emily Post. In this completely updated 18th Edition of the classic *Emily Post's Etiquette*, the mantle is picked up by the great-great-grandchildren of the First Lady of Etiquette, who tackle the latest issues and demands of the twenty-first century—from texting and tweeting to iPhones, Facebook,

and all forms of social media. The perfect guide for Millennials living on their own for the first time who wish to establish themselves properly in the workplace—as well as for Baby Boomers in the midst of planning their children’s weddings, entering retirement, and helping to care for elderly parents—*Emily Post’s Etiquette, 18th Edition*, remains the essential handbook to proper social behavior.
