## Description:

**Review** Elliott gives the reader the gift of high quality historical fiction in the first Saddler's Legacy book. The suspense and romance will keep the reader immersed in the story. 4 & 1/2 stars. -- Romantic Times

This well-written historical series debut with a homespun feel is sure to please Lori Wick readers. -- Library Journal

Fairer than Morning is a moving Christian, romantic, and historical novel that starts up slowly, speeds ahead, and totally enraptures the reader with love of this well-told tale based on real people. --Historical Novels --This text refers to an out of print or unavailable edition of this title.

**From the Inside Flap** "A novelist to watch! Elliott excels at bringing a by-gone era to life with all of its charm and its flaws. An unhesitating indictment of cruelty and a celebration of the freedom of spirit which can only be found in God." -Siri Mitchell

"Fairer than Morning is a fabulous debut! Rosslyn Elliott has not so much written a story, but crafted a tale with a dedication to depth and detail equal to that of the artisan she brings to life. With two very real people at its core, the story unfolds with characters and intrigue reminiscent of a Dickens novel, bringing the reader face-to-face with the heartbreak of bondage and the sweetness of freedom. Rosslyn Elliott is a welcome new voice, almost luxurious. Readers deserve this indulgence." -Allison Pittman --This text refers to an out of print or unavailable edition of this title.
