Description:

This single most widely used Inclusion text continues to provide the best source of practical strategies for teaching students with special needs in inclusive settings. Filled

with examples and vignettes, the emphasis is always on teaching methods that promote student independence at all education levels. Its non-categorical approach helps ensure all students' success regardless of their specific categories of exceptionalality.

The Sixth edition integrates today's expectations for students with the authors' strong commitment to inclusive practices, tempered by the realities of day-to-day teaching. This text provides a firm grounding in special education practices, an understanding of the professionals who support these students and the procedures followed to ensure their rights are upheld, and a wealth of research-based strategies and interventions that can foster their success.
