Description:

#1 *New York Times* bestselling author John C. Maxwell explains how true leadership works and makes it accessible to everyone. Leadership does not come from your title. In fact, being named to a position is only the first and lowest of the five levels every effective leader achieves. To become more than a boss people are required to follow, you must master the ability to inspire and build a team that produces not only results, but also future leaders. The 5 Levels of Leadership are: 1. Position- People follow because they have to.

2. Permission-People follow because they want to.
 3. Production-People follow because of what you have done for the organization.
 4. People Development-People follow because of what you have done for them personally.
 5. Pinnacle-People follow because of who you are and what you represent. By combining the advice contained in these pages with work and a willingness to learn, anyone can rise to a higher and more effective level of leadership and thus make a greater impact.
