Description:

Review "Given there are more than 100 artists included in *The Pulse of Mixed Media*, there is a wide variety of art to enjoy, with detailed captions that give readers further insight into the artists' work, inspiration, and thoughts. Take a look and be inspired." -- **Barbara Delaney, Cloth Paper Scissors**

"This book is great - *really* good. There is a ton of great and original artwork shown. I've learned that people love getting to the heart of the artist. This book does it, and I'm certain that no one other than Seth could have delivered it in such a wonderful way." -- **Christen Olivarez, Editor, Somerset Studio**

"Apter obtains an array of answers to in-depth questions that delve deep into the psyche of each of his subjects. Coupled with beautiful color photographs of their work...Apter's psychology-based questioning leads to a comprehension of the artistic process rarely shared before now." -- **Lee E. Cart, Shelf Awareness**

"*The Pulse of Mixed Media* is one of the most interesting and engaging books I've encountered in a long while. Seth Apter dives deep into the waters of mixed media to ask intriguing questions to 100 artists who are passionate about making mixed media art. Bravo...for authoring a truly delightful book. " -- **Jenny Doh, crescendoh.com**

"A new book is in town and it's one of the best books on the relationship of the artist and his/her work I've put my hands on in a good long while." -- **Stephanie Lee, author of *Plaster Studio***
