Description:

From Publishers Weekly Moonlit scenes of the farmyard under snow show Reynard the fox prowling near the henhouse. Review 'A beautifully illustrated tale adapted from an old Swedish poem. The Tomten, who looks after the farm at night, meets a hungry fox and agrees to share his supper with him if the fox

promises to leave the hens alone. A very gentle, friendly story. It is refreshing that he understands that the fox is hungry and needs to eat - rather than the 'nasty fox' approach. The children I have read this to loved it.' - Hilary Woolf with Isaac (age 5), Education Otherwise, April 2005 --This text refers to the edition.
