**Description:**

*For courses in Critical Thinking*

**Think currency. Think relevancy. *Think Critically.***

*Think Critically*, 2016 presents critical thinking as the optimal approach for solving real-world problems and making important decisions, boosting the relevance of course material to students' lives. Authors Peter Facione and Carol Ann Gittens employ a simple, practical approach to deliver the core concepts of critical thinking in a way that students can easily understand. Incorporating contemporary material from a wide range of real-life situations, *Think Critically's* engaging examples and exercises hammer home positive critical thinking habits of mind that students can use — in the

classroom and beyond.

*Think Critically*, 2016 is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.
