## **Description:**

**Review** Praise for THOSE GUYS HAVE ALL THE FUN:

"Those who work in the business of sport will devour the book...[readers are] granted the kind of behind-the-scenes access that sports media junkies are rarely given..." (**SportsIllustrated.com Richard Deitsch** )

"*Those Guys Have All the Fun* is a *de rigueur* read for sports fans who wonder how a fired hockey announcer used a \$9,000 credit card advance to start a broadcasting empire that changed what we think about sports and how we view them." (**Denver Post Woody Paige** )

"Packed with entertaining stories of unpleasant people and awful behavior....[*Those Guys Have All the Fun* is] offers a nuanced look at ESPN, does some top-notch TV-biz reporting on the early days of the cable industry, and offers compelling behind-the-scenes stories...[It is] a serious, impressive, piece of work." (**Entertainment Weekly Rob Brunner** )

"A revelation: what goes onto the TV screen turns out to be just the glossy tip of an iceberg of ugly backstage drama. Miller and Shales must be extraordinarily talented interviewers, because their subjects are surprisingly uninhibited and frank and willing to dish and slag...[They are] good at zeroing in on a debacle and getting everybody involved to weigh in...by the end of the book you're amazed at the disconnect between the chaos behind the scenes and the relatively slick end product." (**Time Lev Grossman** )

"Fascinating and compulsively readable." (**Wall Street Journal Tim Marchman** )

"A fascinating little-engine-that-could tale of money, power and the early days of cable television." (**Cleveland Plain Dealer Clint O'Connor** )

"As highly anticipated by sports junkies as a Chicago Cubs championship, [*Those Guys Have All the Fun*] provides painstaking details on how a nutty idea concocted by a father-son team developed into a brand worth more than the NHL, MLB and NBA combined...Shales and Miller manage to create a page-turning document about the ultimate dysfunctional workplace" (**Minneapolis Star Tribune Neil Justin** )

"...Perhaps the most anticipated book in sports media history." (**Newsday** )

"*Those Guys Have All the Fun* delivers a hell of a narrative...[and] an outstanding work of journalism. Easing interviewees into such comfort that they said what they did on record is an enormous achievement for Miller and Shales." (**Fortune Daniel Roberts** )

"This treat for sports fans has a cast of characters that is huge and varied." (**New York Times Janet Maslin** )

"What a story: larger-than-life personalities, salacious gossip, backstabbing and corporate intrigue set against the backdrop of the rise of cable television as an economic and cultural force....The quotes flow seamlessly, and the voices are fresh and vibrant...The depth and breadth of the interviews make it not only the definitive account of ESPN's first three decades but one of the best books yet on how cable shaped American culture." (**Hollywood Reporter Andy Lewis** )

"A rollicking glimpse behind the guys and gals who sport around at ESPN, America's sports church. Amen." (**Publishers Weekly** ) --This text refers to an out of print or unavailable edition of this title.

**About the Author** Tom Shales won his Pulitzer Prize for television criticism in the Washington Post. He is the author of *On the Air!*, *Legends*, and *Live from New York*, and has written for publications such as *Esquire*, *Playboy*, *Life*, *Interview*, among others. He lives in McLean, Virginia.

James Andrew Miller is the author of *Running in Place: Inside the Senate* and *Live from New York*. He has also written for the *New York Times*, *Life*, and *Newsweek*, in addition to numerous projects for television and motion pictures. He lives in Pennsylvania. --This text refers to an out of print or unavailable edition of this title.
