## Description:

**Review** "Brooks fills her book with clear examples that illustrate her points... She tells you exactly how to craft an attention-grabbing query letter to an agent, and how to write a book proposal that

will look professional and give you the best chance of getting a book contract. If you're looking for an A to Z guide on writing and publishing YA fiction, Regina Brooks' how-to is the place to go." (Chuck Leddy *Writer magazine* 2009-11-01)

Brooks believes that the young adult period is a vitally important one for developing lifelong readers. As an agent, she has represented children's, young adult and adult fiction authors for the past decade... Written from the perspective of an industry insider, the book shows budding authors how to edit their work with fresh eyes. (*Kirkus* 2009-09-01)

VERDICT Brooks offers writers who are serious about attracting teen readers solid guidance through the creation process of writing YA fiction.-Stacey Rae Brownlie, *Library Journal*, Lititz P.L., PA  
(*Library Journal* 2010-02-01)
